ULUSOY AFRICA
POULTRY

About Us

From a single shop in 2017 to an operation spanning the nation, Ulusoy Chickens is all about providing our customers, big and small, the very best in high-quality poultry products.

We combine the expertise and commitment of our people with world class processes and technology to produce and distribute an extensive range of fresh poultry and cooked value added products to clubs, cafes, restaurants, hotels, resorts, government agencies, corporate catering services and more.

Our focus is on continuously improving what we do and how we do it so we can remain leaders in the market. Our strong growth over the years has given Ulusoy Chickens the capacity to not only meet the demands of the South Africa market, but also to export premium products to multiple international locations.

Our Value

- Respect & integrity
- Professionalism
- Communication with clarity
- Ambitious and broad perspectives
- Set the tone & display leadership

Our Vision

To be the protein authority, delivering premium products with a formidable brand reputation, both domestically and globally.

ULUSOY COOKED RANGE

Ulusoy's Cooked Range has been designed with the dynamic nature of the food industry in mind.

Ulusoy's clients have noted staffing and product consistency as key concerns in day to day trade.

Headed by our Executive Chef Eddie Coie, and the investment in state of the art equipment, the Ulusoy team set out to help by developing safe, tasty, versatile, ready to serve products that are consistent and easy to prepare.

From stadiums serving thousands of customers on game day, to fast paced city cafés, Ulusoy's clients appreciate the time, money and labor savings available to them through our cooked range.

Ulusoy maintains the highest level of food safety standards and quality control with a dedicated in house QA team.

Mission Statement

Ulusoy Chickens is a respected supplier of high quality poultry based fresh products, value added, lavoured, and fully cooked meals and meal components to the hospitality, foodservice and retail market segments in South Africa. The company leadership and dedication of employees, ensures we supply our customers with superior quality products and a service recognised as second to none.

Company Ownership

Ulusoy Chickens was established as a family business in 2017, as a supplier of superior quality, specialised poultry products to the hospitality industry. The company's founder is Mr Magumbi Allen, are still actively involved in the overall direction of the company. Today we have grown into a respected, multisite supplier of poultry-based, value-added and cooked products to the South Africa and global food service sector.

The success of Ulusoy Chickens, is based on the commitment, expertise and skills of its proprietors,

management and employees. These qualities have seen the company grow from a single-facility poultry supplier in South Africa to a major multi-site food solutions company, committed to a superior program of continuous improvement.

We now supply an extensive range of fresh poultry, value-added and fully cooked solutions to a diverse mix of hospitality, foodservice and consumer market segments across South Africa.
